

Senior & Collegiate Portraits

FMT Photography LLC offers a variety of affordable Senior and Collegiate Portrait packages to fit every size family and budget, as well as the option to build a custom package that fits your specific needs! We offer on-location photo sessions within Northeast Ohio and Northwest Pennsylvania, so that your photos can be shot in a location that is as unique and special as you are!

Many families are led to believe that they have no choice but to use the same old photographer that the school provides for their yearly photos, or that they have to take whatever high-dollar, low quality packages that those mass-production operations offer. While you may be required to use the school photographer for your yearbook photos, as a high school or college senior, you have the right and the freedom to choose your own photographer, and get quality, unique photos that let your inner light shine through!

So what are you waiting for?
